Mowbray Road, Cambridge, CB1 7TG

A fantastic opportunity to acquire a substantial six-bedroom detached family home on a highly sought-after road.

Mowbray Road is ideally located for families and professionals, offering quick access to Addenbrooke's Hospital, perfect for healthcare workers, and falling within the catchment for excellent schools and colleges. Its commuter links to the city centre, Cambridge train station, and the M11 make it ideal for both local and London-based travel.

This spacious home spans over 2,200 square feet across three floors. The ground floor includes an entrance hall, living room, kitchen/breakfast room, a family room and cloakroom. On the first floor, you'll find five well-proportioned bedrooms, two with en suites, and a family bathroom. The top floor features a sixth double bedroom, a shower room, and a study. The property benefits from gas-fired central heating, double-glazed windows, newly tiled and insulated roof and ample storage throughout.

Outside, the private rear garden is mainly laid to lawn with a paved seating area. The partially converted garage could serve as a home gym or office, while still offering storage. Off-road parking is available at both the front and rear of the property.

Rarely available, early viewing is highly recommended.
